2017
MAC–NVBUA Association Dues & Certification

Instructions:
1. Please complete the name/address information section (please print or type).
2. Whether you umpire high school, recreation or both, all members pay the same amount for the annual dues to the association. Dues support our initiatives for training, ratings, evaluations and various administrative expenses to operate the association.
3. If you plan on umpiring scholastic games for Maryland pay the state fee. (The $45 annual Virginia fee is paid directly to VHSL through their website on ArbiterSports.)
4. Pay by March 1, 2017; deduct $25.00 as a thank you for paying your dues and fees promptly.

Life Member Waiver of Dues:
NVBUA Life Members are not required to pay the Annual Association Dues. (Life Members must pay the respective state fee to umpire scholastic games.)
Life members, please overwrite the dollar amount in the Association Dues row with “LM” – select the state fee(s) applicable to your situation. Thank you.

I hereby agree, to the fullest extent permitted by applicable law, to indemnify and hold harmless the jurisdictions, organizations, and institutions served by the association and our service assigning company and the members, managers, officers and directors of such entities (collectively, the “Indemnified Partners”) from, against and for any losses, costs, expenses, claims, demands, suits, judgements and all other liabilities (including attorney’s fees, expenses and court cost(s), to which the Indemnified Partners may be subject as a result of any false statement contained in this Certification.

Note: While signing this certification is not required to umpire, failing to do so may prevent being assigned to leagues or jurisdictions requiring assignors to assign officials that meet this criteria. This specific requirement is becoming more commonplace as contracts are renewed and agreed upon.
